DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- **Cancel claims 45-60.**

Allowable Subject Matter

Claims 7-9 and 61-63 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 7 and 63 both contain allowable subject matter because prior art of record fails to teach adding impurities after a laser light treatment which promotes crystallinity has been performed in combination with the other recited elements of both claims 7 and 63. Claims 8-9 and 62-63 act to further narrow independent claims 7 and 63 and are therefore also deemed to be allowable over prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
